By order,

JAGMOHAN,

Deputy Housing Commissioner,
Delhi Administration, Delhi.

Delhi, the 31st August 1962

No. F.19(11)/62-Judl.(i).—The following is published for general information of the public:—

Bill No. 18 of 1962.

THE HINDU SUCCESSION (AMENDMENT) BILL, 1962

(As introduced in Lok Sabha)

A

BILL

further to amend the Hindu Succession Act, 1956.

Be it enacted by Parliament in the Thirteenth Year of the Republic of India as follows:—

1. Short title and commencement.—(1) This Act may be called the Hindu Succession (Amendment) Act, 1962.

(2) It shall come into force at once.

2. Insertion of new section 23A.—After section 23 of the Hindu Succession Act, 1956, (30 of 1956.) the following new section shall be inserted, namely:—

Special provision regarding transfers.—“23A. No transfer of property by female owner shall be valid within two years of the opening of succession in her favour unless it be for consideration, the onus of proof of which shall be on the transferee.”

STATEMENT OF OBJECTS AND REASONS

It has been observed that male co-successor or male relations of female owner take advantage of the emotional nature of the female owner after the death of her father or near relation and get transfers by gift or otherwise without consideration. The female owner, who has come in succession, has no appreciation of the act.

It is necessary to protect her interests by legislation. This can be done by giving her an opportunity of appreciation of her ownership rights and time to think of such rights before she makes a free transfer.

Hence this Bill.

New Delhi;

The 5th April, 1962.

J. B. S. BIST.

Any person or public body desiring to submit an opinion on the Bill should do so by the 10th December, 1962 at the latest through the Delhi Administration only and not direct to the Lok Sabha Secretariat or to any Ministry of the Government of India.
